Production: 105 cases

Bottled: 15 August 2017

Released: 12 November 2017

Alc. 14.1% pH: 3.74 TA: 5.8 g/L

FSO₂: 38 mg/L

San Francisco Chronicle Wine Competition - **Gold**

Harvest Challenge Wine Competition - **Gold**

Cascadia Wine Competition - **Gold**

Northwest Wine Summit - **Gold**

VINTAGE

The 2016 vintage was notable for 2Hawk as our first harvest from our major vineyard expansion project in 2014. Like in 2015, spring arrived early, but it was cool and dry. Since the weather during flowering limited the crop load naturally, very little fruit thinning was required. Summer was typically warm and absent the normal early showers, so the vineyard required extra attention to ensure we had no detrimental water stress. Fortunately, summer gave way to a beautiful and temperate early fall season for the final ripening phase. Harvest was definitely early given the age of the vineyard and amount of fruit. We finished picking our mature vines just before the October rains settled in.

TASTING NOTES

The 2016 Darow Series Pinot noir is our first estate-bottled red. We designate estate-grown wines of special distinction as "Darow Series" after our vineyard's most prevalent soil type. These wines represent our finest winegrowing efforts of the vintage. This wine is a dense brick red color and features dazzling aromas of blackberry, boysenberry, cedar, and wet slate. While quite powerful, it brings an elegant edge to the palate, where its stylish personality comes to the fore. We advise aeration to maximize this wine's aromatic and flavor potential or cellaring until 2020 and enjoying through 2023. Try this with bold cuisine like pancetta-wrapped roasted goose breast with a fennel-chèvre gratin.
